TRIAL ON MARCH 30.

Shorne's Attorneys Win Against

Westchester Prosecutor. Th. Phains, N. V. March 17 .-- Alt Attorney Weeks vehe-ed against Thomas Mott being placed on trial under charging him with mis-id immorality at this Justice Keogh to-day trial for March 30. The ose utor was brought into er an order to show cause Justice Young why he should with the trial of Mr. Os-March 20. opening of the hearing Justice

sked District Attorney Weeks of any objection to his hearing ion, as he said his son was dudent in the office of George Battle, chief counsel for no objection to your hear-

matter," the prosecutor replied. ex-Judge Tierney of New Rothe attorneys who ap-Osborne when he was under direction of Justice on Tuesday on the indict-perjury, moved that Mr Osgiven a speedy trial.

"The indictment for laying been disposed of Mr ement but immorality.

was not for public opinion Keogh interposed.

defendant is no different than a orged with a crime who is locked to jail and cannot get vail." so'd 'I cannot go to trial until

"That is not our function," replied Mr. Battle. "We will be ready on the date fixed and will insist that the trial proceed."

It is expected that Justice Keogh on the day fixed for trial will either hear it himself or send it to Justice Tomp-kins, who will be presiding in Part III. and is familiar with all the evidence. Mr. Osborne and his legal advisers are contemplating a move which, if success-ful, will result in the contemplating a move which, if successful, will result in the same fate for the immorality charges that met the perjury charge against him on Wednesday—their unconditional dismissal.

This move is a motion before Justice Tompkins, who brushed away the perjury indictment, that he find these charges equally groundless and unjustice.

charges equally groundless and under fied. The immorality charges are em-bodied in the sixth count of the indict-bodied in the sixth count of the indict-Ossining, N. Y., March 17.—Sing Sing held high jinks this afternoon, for Tom Brown, otherwise known as Thomas Mott Osborne. There was a St. Patrick's hort of these is that the sixth count actually charges a felony, though part of a misdenessan indictment. The

Mott Osborne. There was a St. Patrick's day parade, to be sure, but it was a side show. The main tent was the warden on leave, freed of one charge sgainst him and just returned from White Plaine, where he had succeeded in having his trial on the other set for March 30.

As Tom Brown he came to the prison. as Tom Brown he was cheered when he arrived, cheered when he reviewed the parade, cheered when he left, but the loudest cheers of all came from the thousand convicts who squeezed into

Waldorf.

Sing Sing. Not a bit could the cold keep them from the parade, but the ranks and to be recruited from the Irish Americans, and through some freak there were half a dozen Italians in line. The number was made just about a round hundred by the addition of three negroes which the real Irishmen said, hailed from "County Burnt Cork."

The leader of the parade was Peter Culien, astride a well groomed steed, and clad in Irish costume, with brogans and shillalah and little dudeen. The rear guard was a goat painted the emeraldest of greens and labelled "Doctor Diedling's Goat—Green With Anger." To those who knew that the Prison Commissioner, senerally considered the mainspring of the discredited perjury case against Mr. Othorne, may fairly be said to have loat.

Nicola Tesla, testifying yesterday in the Supreme Court in supplementary proceedings brought by the city of New York because he failed to pay a judgment for \$935 obtained for personal taxes in 1909, told of the difficulties occasionally between the said; "I live at the Waldorf-Astoria on credit. I have not paid for several years. I did own about nine-tenths of the capital stock of the Nicola Tesla Company, but I pledged it to raise money. I wanted to build an electric plant!"

"How did the stock go?"

"To different people. About one-third went in 1898 and the rest in 1901 and 1902."

"Has the company any assets?" Nicola Tesla, testifying yesterday in

redited perfury case against Mr. may fairly be said to have lost at on the witness stand last Tuespoint was apparent. "Has the company any assets?"

"Not now. It's getting a little on royalties—not enough to pay expenses—about \$350 or \$400 a month." "Have you got any jewelry?"
"No: jewelry I abhor."

Supreme Court Justice Finch ap-pointed Robert Marsh receiver of Tesla's

### LOST HEIR TO GET \$400,000.

Named April 6. OLEAN, N. Y., March 17 .- An amicable agreement was made here to-day be-tween Dr. C. M. Palmer, guardian of Keith Dalrymple, according to the courts of Iowa, and W. A. Dusenbury, custodian of funds belonging to the young man, by which Mr. Dusenbury is to re-tain the funds in his control for the present and the doctor is to take per-sonal charge of the boy and hire a com-

panion for him.

The question as to whether he is used finishing me. I never many friends I had until then exactly the same—I never remany triends I had until I heir, after which steps will be taken to the ast few months my duty has generally felt that it would not do to

### SWAN DIVORCE REVERSED.

The Appellate Division, Second Jun to come back as warden dicial Department, Supreme Court, has reversed the decision of Justice Blackmar granting an interlocutory regret is that it will be divorcing Halstead Swan, a grandson of I bean Kirchwey and me William C. Kingsley, builder of the same position at the same Brooklyn Bridge, from Florence Berry ossibly we could make some arms on to have one warden in the afternoon."

Brooklyn Bridge, from Florence Berry Swan, whom he married in Hoboken on November 5, 1908. In confirming the reand another in the afternoon."

Mr. Osborne repeated what he often, that he believed there assuracy against him, and that ment Riley thought me un-swan to his mother and ordered swan to pay \$25 a week for the boy's as corespondent.

Justice Thomas, who wrote the opinion reversing the interlocutory judgment, said that the evidence preponderatingly showed that a couch which figured the testimony was on the easterly s of a sitting room and not on the southof a sitting room and not on the southtees had failed to take action.
